Crews Install New Traffic Signal Pole

Harrisonburg, VA – The City of Harrisonburg's Department of Public Works will conduct work on a traffic signal at the intersection of Liberty and Water streets.

On Friday, December 6, a vehicle crashed in to the pole that holds the traffic signals at the intersection of Liberty and Water streets.

After further evaluation, staff determined the pole will need to be replaced.

Today, at 1:00 p.m. crews will remove the traffic signals and damaged pole at this intersection. This intersection will temporarily be controlled by stop signs until staff is able to install a new pole.

The new pole will likely be installed toward the end of this week.

Motorists are encouraged to use caution in this area.
